

Par 72, 6598m

Designed by Nick Faldo, and opened in 2008 this 6598m par 72 championship course demands careful play. An abundance of cacti and wild herbs, spartan Holm oaks and ancient olive trees and desert scrub bunkers are scattered throughout the course.

There are incredible views in this layout of beautiful undulating land.

Well placed tee off areas provide you with challenging tee shots and the course requires that you make accurate approach shots. The opening par 4 of 415 metres is played from an elevated tee and the approach is to an elevated green.
